size pool leisure pool and has extensive  
shading' **'how to build a swimming pool  
with pictures wikihow**

October 4th, 2017 - to build a swimming  
pool start by excavating the area where  
you want the pool to go and grading it  
so it s as flat as possible then you ll  
need to frame the sides with wood or  
metal rebar and install the plumbing and  
electrical lines once you ve done that  
you can pour the floor of the pool with  
cement and build the walls using cinder  
blocks'
