'perspective of health in
different cultures

May 19th, 2020 - when i was
reading one of our readings
by nichter the author gave
some examples of perceptions
of health in other cultures
the most interesting part of
the reading that stood out
to me was how some parts of
caribbean ethiopia india
indonesia and latin america
find having parasitic worms
in their body to be normal
and how they thought worms
were part of their bodily
function''syllabus global
